Subject: **APPRECIATION LETTER**

This is to certify that *M/S Marmul Falcon Trading & Contracting Co. LLC* have successfully executed and completed the below stated scope subcontracted to them for works required under our Contract No. C311492 with PDO.

The primary subcontracted scope of work included the following:

1. Engineering, procurement, and construction (EPC) of 33Kv Electricity Overhead Line (OHL) and Fibre Optic Cable (FOC) work from Sub Station 3 (Harweel) to PDO new Camp (Harweel) – 44 KM.
2. HV Protection Setting Calculation and Implementation
3. LV Protection Setting Calculation and Implementation
4. OHL Testing and Commissioning.

M/s Marmul Falcon have displayed professionalism in all aspects of completing the subcontracted work, in terms of planning, management, operations and technical skills. They have completed the apportioned scope without LTI and meeting safety standards applicable at PDO projects.

This certificate has been issued on request of M/s Marmul Falcon, without any legal binding on CCC.

We wish them very best luck in their path of success and in all their future ventures.

Yours Sincerely,

Khalid Suleiman Dawud
Contract Manager
