TO WHOSOEVER IT MAY CONCERN

Appreciation letter on successful completion of the project.

Project: Construction of 33KV overhead lines on Concrete Poles (35 KM) in RHIP OFF PLOT field in PDO South contract number C-311394

This is to certify that **Marmul Falcon Trade & Cont. Co. LLC** as our Sub-contractor have successfully executed and completed below scope of work relating to subjected project under Sub contract number ATE/O&G/QS/S195/16

Their primary scope of work under this contract included as follows.

1. Construction of 33KV Overhead lines on Concrete Poles (35 KM)
2. Testing and Commissioning.
3. Participated in HMPS shutdown (Installation of 08 number D-5 Poles and 5 tie-inn)

They have shown professionalism in all aspects, when it comes to planning, management, Operations and technical skills while carrying out a project and they have completed the allotted scope successfully without LTI.

We have concrete confidence in saying that they are a potential asset for working in oil & Gas fields and OHL-related operations as an 'Electrical contractor' based on their competencies and do fully endorse & recommend them to any prospective contractor.

We wish them very best of luck in their path of success in all their future ventures to come.

Regards,

Arnab Mukherjee
Contract Manager
